Rock Around The Clock

1 2 3 oclock 4 oclock rock, 5 6 7 oclock 8 oclock rock, 9 10 11 oclock 12 oclock rock were going to rock around the clock tonight

well get your glad rags on, join me hun, we'll have some fun when the clock strikes one, were going to rock around the clock tonight were going to rock rock rock until the broad daylight, were going to rock, were going to rock around the clock tonight

well when the clock strikes 2 3 and 4, if the band slows down we'll yell for more were going to rock around the clock tonight were going to rock rock rock until the broad daylight, were going to rock, were going to rock around the clock tonight

when the chimes ring 5, 6 and 7, we'll be right in 7th heaven were going to rock around the clock tonight were going to rock rock rock until the broad daylight, were going to rock, were going to rock around the clock tonight

when it's 8, 9 10, 11 too i'll be going strong and so will you were going to rock around the clock tonight were going to rock rock rock until the broad daylight, were going to rock, were going to rock around the clock tonight

when the clock strikes 12 we'll cool off then, we'll rock around the clock again, were going to rock around the clock tonight were going to rock rock rock until the broad daylight, were going to rock, were going to rock around the clock tonight
